

A top-down photograph of oysters on ice and wine glasses on a dark, textured surface. The oysters are arranged in a semi-circle at the bottom, with several pieces of ice scattered around them. Two wine glasses filled with white wine are positioned on the right side. The background is a dark, mottled grey surface with a rough, stone-like texture.

SOMETHING DIFFERENT

Domaine Berthet-Bondet

Domaine Berthet-Bondet was established in 1984 and crafts wines, respectful of terroir and traditional winemaking methods. They are amongst the most highly regarded and sort after wines in France and are produced from their own vineyards within the Jura region. These show notes of roasted nuts, curry spices and stock, with fresh lemony flavours.
